

## CALL FOR PRESENTATIONS

for

**the 20<sup>th</sup> International Conference on Orienteering Mapping**

**Wednesday, June 29, 2022**

**Comwell Kolding, Kolding, Denmark**

The IOF Map Commission invites you to the 20<sup>th</sup> International Conference on Orienteering Mapping. The conference has become a traditional event where mapmakers, and those with an interest in orienteering maps, from around the world discuss and share information about the latest mapping standards, techniques and developments in a relaxed and informal atmosphere.

We are convinced that the 20<sup>th</sup> ICOM will live up to the successes of its predecessors.

### TOPICS OF THE CONFERENCE

- Advances in digital printing of maps
- Application of Lidar data
- Use of unmanned aerial vehicles (UAV)
- Surveying techniques
- Generalization techniques and issues
- Recent developments in software
- Map specifications development
- Map reading problems (colour vision impairment, eyesight weakening)
- Map archive
- Role of open data
- Impacts of the COVID-19 pandemic
- Other

### TIMETABLE

We expect to start the conference at 4 p.m. CEST (2 p.m. UTC). A detailed timetable will be published in a final program on the [IOF MC website](#).

### FORM OF THE CONFERENCE
